Dear Paul Bessant, Paul Griffiths and Miles Wring,

I am writing to congratulate you on Real Sphere Eco World's success at the Mersey Maritime Awards 2021 winning the Micro Business of the Year Award.

It was great to see that despite the challenging conditions created by Covid-19 during the past 18-months, especially so for small businesses, that you have risen to the challenge and innovated to develop your business. I would like to congratulate you and your staff for this entrepreneurial attitude.

I was pleased to read that your commitment to continual improvement has seen your environmentally friendly products be trusted to clean superyachts around the world. I wish you success in your endeavours as you take your products to the retail market.

We would be keen to explore how the Department may be able to be of assistance.

Yours sincerely,

ROBERT COURTS MP

MINISTER FOR AVIATION, MARITIME AND SECURITY
